Logistics Community of Practice Transportation Sub CoP

USACE Worldwide Logistics Community of Practice Conference and Training Workshop

Orlando, Florida

US Army
Corps of Engineers

Overview

Our Goals:

- Provide more seamless logistics support to our customers and improve responsiveness to our stakeholders (anticipate)
- Collaborate with internal and external subject matter experts to share emerging business concepts and practices
- Become a more fully integrated Sub Community of Practice, within the greater Logistics Community of Practice

US Army
Corps of Engineers

Transportation Sub CoP Overview

Discussion (Transportation Sub CoP):

- We're already wearing multiple hats – a Sub-Sub CoP can be re-evaluated after the Sub CoP is up and running
- Structure – learning to break away from it
- Remember the big picture – don't become bogged down in details (business process/functional areas), yet.

LOGISTICS MANAGEMENT COMMUNITY OF PRACTICE CHARTER

OUR COMMUNITY PURPOSE

IS TO CAPTURE, SHARE, AND CREATE INFORMATION AND KNOWLEDGE THROUGH A LEARNING CULTURE THAT WILL PROVIDE VALUE-ADDED LOGISTICS SUPPORT FOR MISSION EFFECTIVNESS AND BUSINESS EFFICIENCY AT ALL LEVELS. WE SUPPORT PEOPLE, PARTNER COMMON-SENSE AND BUSINESS SENSE SOLUTIONS, AND ENCOURAGE THE PRACTICE OF PROFESSIONAL LOGISTICS MANAGEMENT COMPETENCIES.

OUR COMMUNITY FUNCTIONS

- *DEVELOPING AND MAINTAINING LOGISTICS POLICY AND DOCTRINE*
- *PROMOTING A CAPABLE WORKFORCE*
- *BUILDING AND MAINTAINING RELATIONSHIPS AND COALITIONS AT ALL LEVELS*
- *PROMOTING ORGANIZATION COMMUNICATION*
- *ENHANCING THE LEARNING ENVIRONMENT*

OUR COMMUNITY OPERATES

Within the principles of USACE Policy guidelines to ensure "One Corps operating virtually as a learning organization."
